About the Band...

The Oklahoma City Symphonic Band's mission is to provide a challenging and enriching musical experience for its members, to offer quality concerts for the community, and to inspire future generations of musicians.

The Oklahoma City Symphonic Band is comprised of approximately one hundred professional and amateur musicians. This historic band has performed in the Oklahoma City area for decades. The members are a cross-section of the community made up of all different professions. They are musicians who find that the band gives them a chance to grow musically.

Rehearsals are held every Tuesday evening throughout the year with the exception of May and August. The Oklahoma City Symphonic Band performs several concerts at a variety of venues including high schools, universities, churches and area parks and has hosted several talented composers as guest clinicians over the years, including Dr. Frank Ticheli in 2008, Dr. Jack Stamp in 2006 and Dr. John Zdechlik in 2003. The organization hosts an annual Young Artist Competition for high school students. The students compete by audition for the opportunity to perform with the band and to win a cash prize.

Members volunteer for many positions in the band and on the board of directors for the Foundation to help make the rehearsals and concerts the best experience possible. Oklahoma City Symphonic Band members have found gratification in having the band as an outlet to perform as well as to develop camaraderie with their peers. It is the perfect example of an opportunity for a lifelong continuing education in music.

We welcome new members. Due to the success and growth of our band, we have limits on instrumentation in each section but if a section is full, we will place your name on a waiting list. Regardless of whether there is an opening or not, we offer the option to sit in with the band as a guest for two rehearsals as long as it is not immediately preceding a concert. Our summer season is open to everyone with no limits.

The Oklahoma City Symphonic Band is sponsored by the Oklahoma Concert Band Foundation, whose purpose is to engage in the promotion, appreciation and support of concert band music throughout the State of Oklahoma.
